*"Does This Dress Make My Brain Look Fat?"*

Ahhhh dress up. Who doesn't like dress up? Put your hands down. Well, your brain likes dress up, and so, we must give your brain the confidence it needs to be who it is. First, print this sheet. These are your brains. Naked. Nude. Unclothed. They needs clothes. But not just any clothes. You need to draw over these brains with garb that would make them feel at home in:
